Leave our road alone

A NUMBER of Old Beer Road residents in Seaton Hole are calling for another chance to have their opinions heard before a parking restriction proposal is put forward.

Devon County Council (DCC) wants to introduce double yellow lines in both directions of a stretch along Old Beer Road from the café to the landslip end

of the road.

A county council spokesperson said the proposal has been made because there is no turning point at the end

of the road, which is reportedly causing problems.

It is hoped that yellow lines will discourage drivers from using the stretch of road and, as a result, not encountering any problems.

The proposal was advertised through on site notices from November 13th to December 4th last year.

DCC said it also advertised the proposal in at least one local newspaper.

But Old Beer Road resident Simon Wellington said many people failed to spot the on site notices because of extensive work carried out in the area.

In a letter to county councillor Jim Knight (Seaton Coastal) he writes: "I understand that the notice giving

Quotes of the week...

“ IT HAS no architectural merit, it is a blot on
the landscape and I see no reason for re-
taining it. If you look at the Webster owner's
long-term plan for the site, that building
could play no part in the development’

COUNCILLOR Jeremy Walden, Mayor of
Axminster, making a personal comment
on EDDC's conservation team opposing
the demolition of the vacant shop adjacent
to Webster's Garage where there are
interim plans to demolish the derelict
buildings and create a car park.

“ WE ARE looking in every possible direc-
tion to make savings so why doesn't this
council do the obvious, and introduce car
parking charges at Knowle? Many peo-
ple from across East Devon have to pay
to park their cars at work at such places
as the Met Office, the Royal Devon and
Exeter Hospital, Exeter University, and
County Hall’

INDEPENDENT Councillor Roger Giles
(Ottery St Mary) suggesting that EDDC
should charge for parking at Knowle, a
proposition not accepted by the council.

“ This is a truly appalling proposal. Ancient
woodland is just that - a tiny propo-
tion of woodland in the UK - and it
is irreplaceable’

COUNTY and district councillor Daire Wright
urging MP Hugo Swire to oppose any devel-
opment of an ancient woodland near Ottery
St Mary, known as Cadhay Bog.

Ben's hat-trick boost for Tigers

WITH Axminster Town's scheduled South-west
Peninsula League Division One (East) game with
Budleigh Salterton postponed due to a waterlogged
pitch at Colyton Grammar School, Tigers' fans turned
their attention to the Reserves' match at Chumleigh.

And the team, boosted by several first teamers,
didn't disappoint as they brought an end to a miser-
able 14-game win less run with a hard fought 3-2
victory.

One of those first teamers, Ben Turner, took centre
stage with a fine hat-trick.

Victory for the Vikings

AFTER a month's lay-off Sidmouth Town returned
to South-West Peninsula League Division One (east)
action with a 1-0 win at Plymstock United.

In a game of few chances played on a boggy pitch
at the hosts' Dean Cross Ground the winning goal ar-
rived midway through the second-half - Dan Taven-
der smashing a fierce drive into the roof of the net
from 20 yards.

Sidmouth manager Paddy Thomas said on the
club's website: "It wasn't pretty to watch in what
were pretty difficult conditions. But a clean sheet is
always pleasing and I am sure the players will know
that we need to improve on this showing."

Setback for town centre car park

REVISED plans for a temporary car park on the derelict Webster's Garage site in Axminster are in jeopardy because a council conservation team wants to save the adjoining former premises of Busy Bee.

Planning officers at East Devon District Council are yet to make a recommendation, but the EDDC conservation team's desire to save the building is seen as a potential threat to the car park project.

The conservation officers consider the unsightly building to be "a positive contribution to the significance of the conservation area" and ARE opposing its demolition.

Their viewpoint, never expressed publicly despite years of negotiation, has surprised the developers and angered local councillors and traders.

Graham Barton, who acts on behalf of Plymouth-based Webster's owner Hallmark Estates, said: "This standpoint could well result in a recommendation for refusal being put to the Development Management Committee."

"I won't labour the applicant's point of view except to politely say, you could have knocked them over with a feather."

"We've literally never heard this point of view from any other source. The total reverse has always been the consensus from every other person or body ever spoken with or consulted."

As previously reported, Hallmark Estates submitted a planning application last year, seeking permission to provide parking space for 60 cars, five motorcycles and five bicycles for up to five years.

But in a move that surprised those involved with the project, an EDDC conservation officer opposed the plans.

The conservation officer explained that the former Busy Bee building dates back to at least the mid-19th century, and added: "Its prominent position in the street scene, its proportions and massing, and surviving shop front and window apertures make it a positive contribution to the significance of the conservation area."

From the editor's chair It's time to get angry

THE next time you walk through Axminster town centre stop outside Webster's Garage - the longest and biggest commercial blot in East Devon - and take a look at the adjacent former shop which used to be occupied by the Busy Bee florists. Then ask yourself this question: "Is this one of Axminster's architectural gems and could it ever be an asset to the town centre?"

No one would disagree that it is essential that we protect our finest buildings - and there are many in Axminster. This shop, described by Mayor Jeremy Walden this week as "a blot on the landscape", is not one of them. It wouldn't even come in the top 100.

Yet the conservation team at East Devon District Council are opposing its demolition to make way for the interim use of the Webster's Garage site, which has disgracefully stood derelict for three decades and more, by creating a car park.

They think the building, when tidied up, will make "a positive contribution to the significance of the conservation area".

When they heard this, the developers said they could have been knocked with a feather.

During all the many years of discussions during

which East Devon District Council has failed the commercial centre of Axminster by not finding a solution, the retention of the former shop has never been discussed, according to agent Graham Barton.

The current plan to demolish the old garage and create some more parking for Axminster could be delayed even further, or perhaps scuppered altogether, because the conservation officers clearly believe that some misguided fool will buy it and do it up. In this climate?

You couldn't make it up, could you?

The matter was discussed by Axminster Town Council last night when the Mayor intended to make his feelings known.

It's time Axminster got angry. I have repeatedly claimed in this column that had Webster's Garage been situated in Sidmouth, this carbuncle would have been demolished years ago. No one at Knowle would agree with that - or at least own up to agreeing with it.

Great efforts are being made by the Chamber of Commerce in Axminster to breathe some life into the trading community. EDDC should be doing all it can to facilitate this.

HONITON

Piloting a safety at work project

HONITON'S Heathpark Industrial Estate has been chosen to pilot a safety at work project in East Devon.

Starting this week, 85 small businesses in Heathpark will be visited by a team from Estates Excellence and offered free health and safety checks - plus free training and advice if necessary.

Estates Excellence is a Health and Safety Executive (HSE)-led project, managed locally by East Devon District Council (EDDC).

An EDDC spokesperson said: "We chose Heathpark as we had to start somewhere and Heathpark has the largest concentration of small businesses in one place in East Devon."

"It also has reasonable access to Marsh Barton in Exeter, where we can send our businesses to the training and occupational health resources that HSE are providing."

"Heathpark is a one off at the moment. If we get a really positive response we could then justify trying

to do similar initiatives in other areas."

The spokesperson also explained that in 2012, the number of people hurt in a work accident in East Devon was 549.

He added: "That's equivalent to the entire population of Musbury. Injuries ranged from broken bones, back injuries, amputated fingers and head injuries caused by slips and trips, falls from height and becoming trapped in machinery."

"The team will visit small businesses to explain what is on offer, and give companies a chance to book a free, longer visit by specially trained staff to identify the support they need."

Joy Jones, partnership liaison manager from the HSE, said: "We appreciate that in these difficult economic times, health and safety may not always be at the top of the to-do list for small businesses."

SIDMOUTH

Parking to remain free at Knowle

PARKING spaces at East Devon District Council's Knowle headquarters will remain free of charge.

A proposal by district councillor Roger Giles (Independent, Ottery St Mary Town Ward) to introduce charges was defeated by EDDC's Cabinet on Wednesday, January 8th.

Councillor Giles is not a member of the EDDC Cabinet, but he spoke at the meeting and said: "We are looking in every possible direction to make savings so why doesn't this council do the obvious, and introduce car parking charges at Knowle?"

"Many people from across East Devon have to pay to park their cars at work at such places as the Met Office, the Royal Devon and Exeter Hospital, Exeter University, and county hall."

"A modest charge of £1 a day would be much less than that charged at the places I have just mentioned. One pound a day would be a much cheaper than the £1 an hour charged in EDDC car parks."

"And a modest charge of £1 a day would generate income of something like £50,000 to £70,000 per year for EDDC."

"I am aware that some people living close to Knowle may be concerned about the effects of charges at Knowle and the displacement of cars into surrounding roads - this is certainly a point to be addressed."

But members of the Cabinet didn't agree and the proposal was refused.

OTTERY St MARY Plea to MP to help protect woodland

EAST Devon MP Hugo Swire has been urged to challenge the government's proposal to allow development to take place on ancient woodland - a decision which could put a historic site near Ottery St Mary at risk.

Devon County and East Devon District Councillor Claire Wright wrote to Hugo Swire last week and is concerned that Cadhay Bog, off Barrack Road, could be under threat as a result of the proposal, announced by Environment Secretary Owen Paterson.

It is proposed that the loss of ancient woodland like Cadhay Bog could be evened out with extra planting elsewhere - a policy known as biodiversity offsetting.

The bog, owned by the Cadhay estate, comprises several acres of woodland that could date back as far as the Ice Age. Such sites, known as 'wildwood', are considered to be particularly rare in the UK.

In a letter to Hugo Swire, Councillor Wright wrote: "This is a truly appalling proposal. Ancient woodland is just that - a tiny proportion of woodland in the UK - and it is irreplaceable. Quite simply, it cannot be recreated. It provides a home to thousands of insects and birds, many of which are also in serious decline due to development, climate change and alterations to farming methods."

The proposed quarry at Stratgate Farm already threatens the Cadhay site and this latest announcement could put one of the few sites of its kind in East Devon at even greater risk.

Councillor Wright added: "An underground watercourse feeds Cadhay Bog and disturbance of this aquifer caused by quarrying would be very likely to cut off, or considerably reduce the vital water feeding the rich and irreplaceable habitat."

COLYTON

New business group

THE newly-established Colyton Business Group has got off to a successful start, with a well-attended first meeting and 28 members signing up.

The group is being led by Chris Way or CRW Accountants Ltd. and Phil Johnson of PNS Ltd., who gave a presentation to about 30 local business proprietors at their first meeting at the Colcombe Castle last Thursday.

Mr Way reported that the presentation was well-received, with 28 individuals expressing interest in becoming members.

The presentation outlined the group's aims as the following: promote all businesses in Colyton, Colyford, Southleigh, Shute and surrounding areas; provide mutual support for local businesses; link businesses to the community; make known the fact that Colyton has many services and businesses already here; work with the parish council and other organisations to create a business and scenic environment of an exceptional nature so that visiting Colyton will be a unique experience.

Puffins' fundraiser cooks up more than £1,200

by Kevin Fahey

PUFFINS at Beer Pre-School served up a winning formula at the weekend to raise £601 from their Breakfast Bonanza.

Around 100 breakfasts were served at Bay View tea rooms in Beer on Saturday and the total raised was boosted to a tasty £1,202 by Barclays, which supports employee fundraising and matches money raised pound for pound up to £750 as part of its Community Investment programme.

Matthew Bond, Area Manager from Barclays, said: "We're delighted with the amount raised and would like to thank those that helped and supported the Beer Puffins Breakfast Bonanza to

make this happen.

"We really wanted to support Puffins at Beer Pre-School as they provide an excellent setting, supporting local children with their early years education.

"Barclays has a fantastic community investment programme that encourage employees to get involved in the charities and causes that are important to them.

"It's about giving back our skills, time and energy to support our local communities - so we're thrilled to have helped raise £1,202 to help Beer Puffins."

Anna Vine, Beer Puffins chairman, said: "We are very grateful to

Barclays for their support, and special thanks to Nikki Oswald for offering to host the breakfast bonanza at Bay View in Beer, serving over 100 breakfasts on the day.

"Thanks also to Tesco for contributing some of the ingredients.

"It was great to see so many from the local community supporting the event and we hope everyone had a very enjoyable breakfast.

"We have retained the menus and other materials and will be involving the children by using these to create a café themed role play area, and may even walk to Bay View with the children on one of our upcoming 'out and about' days too."

On road parking is for 'the greater good'

FROM page 1

details of parking has gone past its 'comment stage'.

"Some have seen the notices but others, like me, were not aware of them due to the extensive works that have been taking place near where the notices were posted.

"Please take this into account so that our feelings can be expressed legitimately.

Mr Wellington said the proposal would be of a "major personal benefit to him", but he opposes it because it would create problems for others.

He explained: "The restrictions on parking will be a major personal benefit to us, due to many obvious factors.

"Therefore our objection to the introduction of controls is purely for the public good and that of the community of Seaton and not for ourselves.

"Seaton Hole is the only place where people can park and get immediate access to the sea.

"The level of pleasure that kayaker groups, fishermen, beach combers, walkers etc. achieve by having readily available and ample parking cannot be quantified.

"If double yellow lines are run along our wall and all up that side of Beer Road - with additional restrictions put on the other side - space and time will be limited.

"Please leave things alone for the greater good of everyone else."

Pulman's View was unable to contact councillor Knight before going to press, but a DCC spokesperson said: "No decisions have been made yet. We are currently considering the responses we've had to the consultation before a decision is made.

"We're not obliged to consider comments received outside consultation periods as part of our decision making process. However, many of the points raised in the letter are already reflected in the responses we have received within the consultation period."

Three crimes in Beer last month

THERE were three reported crimes in Beer last month, compared to two in November and one in December 2012.

A man stole a joint of pork belly from The Anchor Inn, valued at £25, on Christmas Day. A local male has been identified as the offender. A domestic related incident also took place on Christmas Day.

A blue Nissan Micra parked at Beer Quarry caves was broken into on December 28th and an envelope/Christmas card was stolen.

PC Speariett said: "December's

crimes are dominated with acquisitive offences and domestic related incidents.

"There were two thefts from cars; one in Beer and the other in Branscombe. It is highly likely that these two crimes were committed by the same offenders.

"The crimes serve as a timely reminder not to leave any valuable items on display in your vehicles.

"The arson in Colyton is of concern and highly unusual for the area.

"Enquiries are ongoing but indications are that this is a one off incident and we have increased

patrols in the area.

"It was sad to see that a local male decided to steal a joint of meat in the early hours of Christmas day from the Anchor pub in Beer.

"The offender had offered to pay back the full amount for the meat and is very sorry for his actions on this holy day."

If you have any information on any of the crimes please get in touch with Seaton Police Station on 101, by e-mail at seaton@devonandcornwall.pnn.police.uk or you can call Crimestoppers on 0800 555 111.

A boost for health and fitness

EAST Devon communities are to benefit from improved sport and leisure facilities, after Leisure East Devon, the not-for-profit organisation in charge of the district's leisure centres, announced details of a wide-reaching restructuring project.

Now operating as LED Leisure Management Ltd, the organisation has restructured the management of its centres across East Devon and South Somerset, with the intention of improving its service to the community and boosting participation in leisure activities.

The re-brand will provide a range of new exercise classes for leisure centre and swimming pool users, as well as kick-starting development to the current facilities.

At Sidmouth Leisure Centre, improved lighting has been installed in the sports hall, and the gym has been redecorated.

"Similar work has been carried out at the Axminster Leisure Centre, with plans to extend the gym at Honiton this year also in motion.

Andrew Dare, Leisure Manager at Sidmouth Leisure Centre, said: "We are really looking forward to 2014.

"The restructure is well underway and we are confident that we can develop and grow the business, and provide new and better facilities for leisure centre users.

"The idea is to provide sporting opportunities to people across the community and we will aim to build on the existing range of cultural, sporting and physical activities throughout East Devon and South Somerset.

"We constantly welcome feedback so that we can look at programmes people will enjoy."

Leisure facilities and equipment assets are leased to LED Leisure Management Ltd by East Devon District Council, and the organisation now manages many of the activities previously operated through the council's Leisure and Lifestyles Team.

The organisation also intends to continue its promotion of health and fitness in East Devon through its successful community outreach programme.

Projects include Walking For Health, a free scheme run by volunteers to encourage people to walk regularly, and Devon Active Communities, a three-year project funded by Sport England and Active Devon to increase sports participation in the district.

Outreach Manager Lottie Edwards, said: "Our outreach projects provide activities to a wide range of people of all ages and abilities across East Devon, and at the same time help improve levels of health, fitness and well-being.

"It is a privilege to be involved in such worthwhile projects."

Walking for health and charity

■ East Devon Walk This Way is a walking group that was set up by LED Leisure Management Ltd and is run by more than 60 volunteers. They run six walks per week across East Devon in Axminster, Colyton, Seaton, Sidmouth, Honiton, Exmouth to help people Walk for their Health.

In the last four years the groups numbers have increased from 4,132 walkers in 2009 to 8,232 walkers in 2013. In 2012 the Honiton group started to provide coffee and cake to all walkers and have raised more than £4,000 due to this. This year the group have given £1,000 to the British Heart Foundation and £1,000 to SENSE.

Do it...the East Devon Way

THIS is the call from the East Devon Area of Outstanding Natural Beauty (AONB) Partnership which, as part of their ongoing 50th anniversary celebrations, is keen to see this inland alternative to the South West Coast Path be appreciated by more people and loved by more businesses.

The 40 mile walking route joins Exmouth to Lyme Regis through the very heart of the East Devon AONB. The network of Rights of Way, permissive paths and quiet rural lanes which make up the East Devon Way, take in hillforts and heathland, river valleys and woodland, towns and villages rich in character.

"Alongside a new East Devon Way walk-

ing guide, will be a simple route-planning website allowing walkers to identify at a glance where the nearest and most appropriate accommodation or watering hole is for their needs, on or adjacent to the route," said John Wilding MBE, East Devon AONB partnership Chairman and Clinton Devon Estates Head of Forestry and Environment.

The East Devon Way was established by East Devon District Council in 1993 with the help of landowners, walking groups and local conservation groups. The route is now maintained by the Devon County Council Rights of Way team in partnership with many volunteer Parish Path wardens.

OUR aim is to enrich the lives of young people through the performing arts in a happy safe and secure environment.

Mark Bazeley, the new owner and principal of the part-time performing arts school, is giving young people the opportunity to attend two, three hour performing art sessions at a discounted rate. Lessons are delivered during term times by specialist teachers, many of whom have worked professionally in their field of

expertise. Main School classes are for young people aged 6 – 18 years. Classes are split into three age groups and each student will receive one hour's tuition in drama, singing and dance. Early Years is for children aged 4 – 6 years. "There is nothing more satisfying," Mark added "than to see someone's son or daughter, who used to be shy and self-conscious, standing on stage performing with a huge smile on their face."

It is intended that Stagecoach Honiton will organise workshops in the Easter and summer holidays. These will be open to all and will culminate in a presentation for family and friends.

County to spend £47k on making junction safer

THE Highways Agency aims to start A35 Hunters Lodge junction safety work no later than March 2015.

Calls for a safer junction were renewed after a series of serious accidents last year, including one on May 10th which claimed two lives.

MP Neil Parish, Axminster Town Council and Uplyme Parish Council have lobbied for improvements.

Mr Parish hosted a public meeting in Axminster in September, during which it was revealed that The Highways Agency had presented a proposal featuring markings, signs and a flashing light on the eastbound carriageway.

But the proposal was quickly dropped because it was based on statistics not including recent fatalities.

Work has since been going on behind the scenes and in a letter dated January 6th, Mr Parish wrote: "I met with the Highways Agency on December 9th.

"I can report from this meeting that the Highways Agency has secured some £47,000 to progress a revised scheme for the junction, with construction starting before April 2015 - and a further £10,000 to undertake a study that will look at traffic behaviour and speed.

By Anders Larsson
anders@tindlenews.co.uk

"Mr Strong (of the Highways Agency) did assure me that every effort would be made to have a scheme outline available to present to stakeholders by the end of February 2014."

Mr Parish also said that Devon County Council has agreed to have a look to see if improvements can be made to junction approaches.

A spokesperson for the Highways Agency said: "It is good news that, through the Highways Agency national prioritisation and funding process, we have been able to secure funding to progress an improvement at the Hunters Lodge junction.

"The study work will seek to gain further knowledge of issues occurring at the junction.

"It is underway and will observe vehicle movements and speed readings, as well as considering latest accident data at the junction

"We aim to have a scheme in construction before April 2015, using the funds available, to deliver a lasting improvement for road users as well as providing a value for money solution."

Cash boost for hospital friends

AXMINSTER Hospital League of Friends has enjoyed a £350 windfall. A three-month tyre promotion at Country Motors on Millwey Trading Estate generated the money.

Tyre manufacturer Kumho asked the company to select a good cause to get a cut from tyre sales over the last three months of last year.

League of friends chairman Dr Phil Taylor said: "We are very grateful to Country Motors for choosing us."

Connor, 10, is a word millionaire

St MARY'S Roman Catholic Primary School pupil Connor Walker-Purse has been declared a word millionaire.

This is because he is the first pupil at the school to read more than one million words on the Accelerated Reader programme this academic year.

The ten-year-old has tackled 12 books since September and amassed a word count of 1,030,549 along the way. Showing no signs of slowing down, he is aiming to take the word count to two million words by Easter.

Connor said: "Anthony Horowitz and Michael Grant books are the ones I like best, so I get really in to them and remember everything that happens."

"When I do the on-line Accelerated Reader comprehension quizzes I know all the answers and usually score 95-100 per cent."

"Scorpia Rising by Anthony Horowitz is the book that took me over the million-word-mark."

Literacy co-ordinator Louise Perks described Connor as "a reading whizz-kid" and explained: "The Accelerated Reader programme assesses children's comprehension levels and suggests books for them to read within a particular progression zone."

"Children can then choose books within this range to read, complete on-line quizzes and watch their word-counts rise."

"It has proved to be a huge hit at St Mary's, with more children reading than ever before. Children often visit Axminster Library and Archway Bookshop with the most recently released quiz-lists to get copies of hot-reads."

"Competition between girls and boys is also fierce in the school, with monthly totals and awards motivating pupils to read, read and read."

Children from reception upwards can take part in the programme and parents can get involved, too, using a HomeConnect portal to view their children's progress. Louise added that the programme has been up and running at St Mary's for a just over a year and has been the biggest reading motivator she has seen in her career so far.

Beer briefs

NORAH Jaggers was among a team of volunteers who spent a few hours on a wet Saturday to clean up the rubbish on the beach in Beer.

"We found 16 bags' worth of stuff, a lot of it reminders of the Napoli," said Jaggers.

"The wild weather has stirred up the items on the sea bed, so I guess that there will be more to find pretty soon! All things being equal, we will probably do another clean on Good Friday – we'll keep you posted!"

A DATE for the diary from the Bracombe Project with a talk by Wendy and Mike Gluyas on Sound at the Branoc Village Hall on Monday, January 27th at 7:30pm.

AROUND £350 was raised for the PTFA at Beer Primary School's 'Children of the World' Christmas performance at the Mariners' Hall.

THE next meeting of Beer Parish Council is tonight (Tuesday, January 14th) at the Mariners Hall from 7pm.

Beer link to WWII documentary

by Kevin Fahey

AN INTRIGUING Beer connection to one of the most controversial episodes of World War II was vividly brought to life in a BBC documentary last week.

PQ17: An Arctic Convoy Disaster, featured the heroic tale of lieutenant Leo Gradwell and his role in helping to save the lives of merchant navy sailors from that ill-fated voyage in July 1942 which was delivering military equipment and supplies to the Russians.

Among those interviewed for the documentary, which was written and presented by Jeremy Clarkson of *Top Gear* fame, was professional musician Chris Gradwell, son of Leo, who has lived in Beer for the past 13 years.

Mr Gradwell spoke eloquently of his father, who against orders led his own RN-adapted Trawler HMS Ayrshire and three merchant ships from the disaster of Convoy PQ 17 into the Russian port of Arkhangel.

"The whole family, including grand-children watched the film and I think they then realised that their granddad had done something special so that was very emotional," said Gradwell.

"It was a great tribute to dad, who like many of his generation didn't speak much about what they did in the Second World War and I have the highest regard for the producer

(Dan Trelford) and the director (Richard Pearson). We were all very pleased with the documentary."

Mr Gradwell, who was subsequently awarded a DSC, died aged 70 in 1969.

The programme is still available to watch on the BBC iPlayer service and Mr Gradwell said that the Beer Arts Group may also show the documentary at some point in the near future.

Successful Christmas for Lions

SEATON and District Lions had a very busy and successful Christmas period.

The month began with the Lions hosting a senior citizens' lunch at Colyford Memorial Hall on December 8th, where more than 100 guests enjoyed a three course turkey dinner. The afternoon was topped off by the singing of a selection of Christmas carols.

On December 14th the Lions hosted a table top sale at Seaton Town Hall, which was followed by a cabaret evening. Entertainment was provided by vocalist Szara King and comedian Paul Zee.

The table top sale raised £163, whilst the

cabaret put £1,127 into the Lions' coffers.

The club spent 13 nights throughout December touring the area with their 'Santa float' collecting funds for worthy causes.

The Lions also spent two days collecting at local supermarkets – one at Tesco and one at the Co-op – with a total of £3,958 being raised.

This is one of the largest figures the Seaton Lions has ever collected, and the group would like to thank everyone who gave so generously. Some of the money raised will go towards the new day hospice being built in Honiton.

Storms hit fishing industry

THE worst storms in decades have made a massive impact on East Devon and West Dorset – and the local fishing industry hasn't escaped damage either.

Well-known Beer fisherman Kim Aplin, who has spent all his life working off the beach, has given an insight into how the recent storms have affected his fortunes as he hasn't been able to retrieve his crab pots since December 10th.

"I have around 100 crab pots out there and I have just been out there today with Dave Newton (an-

other Beer fisherman with crab pots) and in four hours managed to find 30 of them," said Aplin.

"Because of the storms they have all got tangled up with other pots and we have to first find them and then try and sort them all out.

"Also today the crab pot arm (on his boat Sambe) snapped off because of the weight of several pots that had got tangled up together."

At £40 a pot Aplin and Newton can ill afford to lose too many so assuming the weather doesn't get any worse he will be

out at sea until he has located all 100.

"I would say this has definitely been some of the worst storms I have seen in 20 years and coupled with the biggest tides it has been a nightmare," added Aplin.

"It was December 10th when I last pulled up the pots and since then I have just had a few fishing trips but that is all.

"Ideally we could do with three or four really calm days to find them all because some will have drifted a mile away at least and it will take time to get them all."

Meeting to discuss stroke services

THE Stroke Association and health bosses have called a meeting in Honiton to discuss the future shape of services for residents of the town.

Dr Joe Mays of Northern, Eastern and Western Devon Clinical Commissioning Group explained: "We want to develop stroke services for people in Honiton and would like to hear your thoughts on how we could do this."

"Your stroke services are currently provided by the Royal Devon and Exeter NHS Foundation Trust (for the hospital part of stroke care) and Northern Devon NHS Healthcare Trust (for the rehabilitation part of stroke care).

"The local healthcare clinical commissioning group has been working closely with stroke specialists in both NHS providers, as well as with advisers from the Stroke Association, on proposals to improve the service for stroke patients and their carers."

At the moment, patients with enough support, and who are well enough to continue their rehabilitation at home, will usually go home directly from the Royal Devon and Exeter Hospital's (RD&E) stroke unit.

Dr Mays added: "This is an important part of the service and our emphasis on helping people to return directly home will continue."

"Some patients need more support and care for a longer period of time following their stroke. Currently, these patients move from RD&E to the stroke rehabilitation units at Exmouth and Crediton community hospitals, and they

might need to stay in the rehabilitation unit for many weeks.

"Although the outcomes for patients and carers using the existing community stroke rehabilitation units are good and the experience is normally very positive, travelling to the units can be difficult for families, especially if they are using public transport."

"Added to this, we have learned that dispersing the nursing and clinical teams over two small units does not

make the best use of highly specialist skills and resources to bring maximum benefit for patients."

"In view of this your local clinicians have been looking at the possibility of consolidating the rehabilitation units onto one site. For this reason we are keen to have your views through the 'have your say' survey. We have organised a series of focus groups with members of the public to discuss future plans for stroke services."

The Honiton event will take place on Monday, January

20th from 11am-12:30pm at Honiton Fire Station, Duchy Road, Heathpark Industrial Estate.

Dr Mays concluded: "If you are interested in being part of these groups and being involved in the near future, please contact Ann Fugler, Stroke Association on 01392 447 361 between 9am and 1pm Monday-Thursday."

"If you would like to complete the 'have your say' survey, please contact Ann Fugler as above."

Investment boost for Deer Park

by Jack Dixon

THE Deer Park, one of East Devon's iconic country house hotels, is to continue its rejuvenation this year, following more than £500,000 worth of investment in 2013.

Work will get underway this month on the refurbishment of the hotel's Mews Rooms, with additional improvements to be made to the main house and grounds.

The Deer Park, recently awarded Silver at the Devon Tourism Awards, benefited from substantial investment last year, with the construction of a landscaped Italian garden and fountains, a resurfaced driveway and refurbishment to the restaurant and conservatory – and more changes are in the pipeline.

Managing director, Mark

Godfrey, said: "We have had an unbelievable 2013 here at the Deer Park and we are so thrilled to announce that we will be continuing to invest in this beautiful country house hotel. Our aim is to be one of the leading hotel and wedding venues in the South West, so all of these fabulous additions will certainly help us achieve that goal - along with the dedication and passion of our top-notch team."

The Deer Park's plan also involves hosting a range of courses in the hotel's grounds, with apple tree pruning, falconry, cooking and beekeeping on the agenda for later in the year.

The hotel, which has

taken on ten new staff including three apprentices

in the last year, is also striving to support the

local community by continuing its sponsorship of

Honiton Cricket Club and other organisations.

Lipreading taster

THERE will be a free taster session on lipreading and communication skills at Honiton Methodist Church on Monday, January 20th from 10am to 12noon.

Organiser Ruth Bizley said: "This is a chance for people to learn more about managing their hearing loss and to find out what goes on in a lipreading class."

More information is available from Ruth on 01297 442239.

Hundreds march as development inquiry gets underway

HUNDREDS of protestors gathered in the streets of Feniton on Saturday to demonstrate their opposition to housing development in the village.

The march, organised by campaign group Fight For Feniton's Future, was attended by more than 300 local residents as well as other protestors from across East Devon concerned about the rapid expansion of the district's communities.

Backed by local pressure group the East Devon Alliance, the march started at Louvigny Close near Feniton Village School at around 11am, before moving through the village, which was hit by severe floods over the Christmas and new year period. The march came to an end at Camp Field, one of the proposed sites for development.

John Withrington, chair of Fight For Feniton's Future, said: "Today is going to make a big difference because it is showing the strength of feeling. People from all over East Devon have come here today to protest this massive, unsustainable development."

"This is not about NIMBYism. It is about the development of a community in a controlled, consensual and sustainable manner."

The march comes in the middle of the appeal "super inquiry", which got underway on Tuesday (January 7th). The three developers, Wainhomes, Feniton Park Ltd and Strategic Land Partnerships, who were initially refused planning permission by East Devon District Council, are appealing the decision and will make their case to the Planning Inspectorate over the course of the eight

by Jack Dixon

j.r_dixon@hotmail.com

day hearing.

The developers are looking to build a combined total of 235 new homes in Feniton, which would increase the size of the village by 40 per cent, but were met with fierce opposition as around 100 local residents attended the first day of the inquiry – despite a late change of venue to the Flybe Training Academy at Exeter Airport.

Neil Parish, MP for Tiverton and Honiton, appeared at the "super inquiry" earlier in the week, and attended the march to show his support for the campaign.

He told protestors: "I am delighted that we are all here to support the cause because Feniton is a real community village and everyone here pulls together very well. We do not want this village swamped with more housing and I will be fighting this all the way."

Mr Parish previously told the "super inquiry" that the community spirit of the village was under threat, and that the developments did not fit into the Local Plan. He also pointed to Cranbrook as a more suitable site for further development.

Residents are concerned about the capability of the village's infrastructure to support such an increase in size, and have also expressed fears that Feniton would be more susceptible to flooding if the development goes ahead.

The "super inquiry" reconvenes today (Tuesday) and is scheduled to continue until Friday.

Students rewarded with 'e-praise' system

STUDENTS from Sidmouth College took part in a prize draw before Christmas to mark the launch of the school's new "e-praise" system.

The new system will see the demise of the traditional stamping system, in which pupils received stamps for good work.

The names of year eight students who had achieved the best stamping totals across the term, or who had been nominated by teachers as worthy candidates, were put into a hat for the grand prize.

Christmas came early for Talia Phillips who was named the winner of the top prize, a Samsung Galaxy Tablet, while Daisy Theophilus won a £15 Amazon voucher.

PULMAN'S LETTERS

Hall's success should be among highlights in New Year message

■ I WISH to point out an error made by our Mayor of Seaton, Councillor Gaynor Sedgewick, for not mentioning our Town Hall in her highlights message to the town, as printed on the front page of *Pulman's View From Seaton*, December 31st 2013.

Our three wonderful managers - Carol, Annette and Elgar (who used their own money to fund the first live music event) and their happy band of volunteers, who all work tirelessly to keep this flagship of Seaton open for all our enjoyment - young and old!

This building was virtually redundant to the townspeople of Seaton before these ladies had the inspiration to take over the running of this hall. They are always ready for ideas and genuinely want to help where they can with any suggestions, etc.

There are not many hours out of 24 they are not open for business. It is now alive with brilliant live music events with hundreds attending from near and far, live

screening events from the National Ballet and films, etc. for every taste plus many, many other events, including a very reasonably-priced bar open for these events. They have also organised events across the road in Windsor Gardens!

This year's New Year's Eve Gala, a complete sell-out as in previous years, with the hall unrecognisable with decorations candles, etc. We even had fireworks live from London!

How can anyone miss out this wonderful, well-managed venue when handing out praise? I would like to say a huge thank you and a happy New Year to all involved, and long may you reign over our beautiful Seaton Town Hall.

C. BURRIDGE,
Seaton

Barbara is deserving of BEM

■ THANK you to Barbara Deardon Potter for accepting the BEM.

Personally, I think she deserves it and the community because she has always served together for each deserving cause, much to the benefit of Seaton.

Thank you for being Barbara, thank you for what you have done, including brushing up afterwards.

Thank you for accepting on behalf of Seaton. Thank you for what you are doing and, as the years carry on, your part is a major part of Seaton's tomorrow.

Thank you.

Tractor club's cash giveaway

SOME 70 members of the Chardstock Vintage Tractor and Machinery Club enjoyed their annual dinner and presentation evening at the Squirrel Inn in Winsham in December.

Cheques for £500 each were presented to representatives of the Devon Air Ambulance, Somerset and Dorset Air Ambulance and Cancer Research UK by club chairman Bob Waldron.

These funds were raised at various events the club held over the past 12 months, including a tractor trundle, ploughing and finger mowing events. In addition to these, com-

■ CHEQUE MATES: John Crew of Dorset and Somerset Air Ambulance, Janet Rowe of Cancer Research UK and Tim Hoad of Devon Air Ambulance with club chairman Bob Waldron and members

mittee member Dougie Bale made personal donations of £250 each to the two air ambu-

lances.

The chairman and committee would like to extend their grateful thanks to the proprietor and staff of the Squirrel Inn for their hospitality.

Busy year for National Service Association

A REUNION dinner and a Christmas buffet brought to an end a busy year for the South West Group of the National Service (Royal Air Force) Association.

During 2013 members enjoyed a series of talks, trips, social gatherings and ceremonial events. The former covered a variety of topics, such as the work of the Devon Air Ambulance, a presentation by the Devon and Somerset Fire and Rescue Service followed by a visit to its headquarters, and a talk by a former RAF V-bomber pilot, while visits included those to the Plymouth Naval Base Museum including a tour of a retired nuclear submarine, to the Haynes Motor Museum and to the open day at HMS Raleigh.

Members participated in the Armed Forces Day event in Plymouth and were represented at the ceremony granting the Freedom of the City of Exeter to RAF Brize Norton. They also took part in parades at the National Memorial Arboretum at Alrewas and at the Cenotaph in London.

New members are always welcome, and those who served their national service days in the Royal Air Force can obtain details of association membership from the South West group organiser, Derek Lord, at 24 Middlewood, Cockwood, Starcross, Exeter EX6 8RN or phone 01626 890207.

Devonshire Association enjoy images of Dartmoor

WITH the January wind and rain still in attacking mood, members and guests of the Devonshire Association's Axe Valley branch, at their first meeting of 2014, were glad to sit in comfort at the Peace Memorial Pavilion in Colyton to enjoy rich Dartmoor views on colour slides, instead of travelling to its weather-beaten 386 square miles.

Speaker Tony Burges, an official guide to the park for 15 years, called his talk "Images of Dartmoor".

As a Seaton boy schooled at Allhallows, Rousdon, Mr Burges was able to bring many local references to his discourse. Not least, his mythical story of 12th century Branscombe-based Bishop Bronescombe, whose diocese then extended all the way from East Devon to Land's End.

Riding horses with his verger, across Dartmoor to Tavistock, they encountered another traveller who offered them bread and cheese. The Bishop was glad to

accept the offer but the verger noted that the stranger had cloven feet and hurried them away. The result being the tor near Meldon which, as a picture showed, is shaped precisely like the bread and cheese the Christian couple had to discard.

The talk touched on all the social and historical changes of Dartmoor since the end of the ice age and the start of the distinctive landscape which looks so photogenic now. The size of population changed according to the climate, not always as wet as it is now, and the spectacular prehistoric stone circles suggest a religion as well supported as that which brought about the roughly contemporary Stonehenge.

From there, Mr Burges moved rapidly across the centuries to the relative wealth provided by tin mining and the wide spaces for recreation and research as they are enjoyed today.

Fairground stories at Seaton Probus Club

THE first talk of the New Year to the Seaton and District Men's Probus Club captured the imagination of members with Kay Townsend, from a family of West Country showmen, describing life on the fairground.

Kay has published seven books and she gave a unique insight into the hardships of the travelling showmen.

It was in 1875 when William Townsend came up with the idea of a small horse-driven children's roundabout, and this was to shape the next five generations of the Townsend family.

Kay's grandfather, Richard Townsend, gradually built up the business, buying a steam-powered "Gallop" roundabout in 1905 and his first traction engine in 1909. Over the years the family travelled

with their fairground across Devon, Dorset, Somerset and Wiltshire and members were interested to hear about the transport used for hauling the rides around the counties - from horses, to steam engines and then in 1946 to chain-driven Scammell lorries.

Kay contrasted the early days with fairground life now, especially the high costs and the health and safety requirements.

Seaton & District Men's Probus Club meet at St Gregory's Church Hall at 10am - the next meeting is on January 29th when the nostalgia theme will continue with Derek Stevens presenting "Memories of Wartime".

New members are most welcome and for more information call Keith West on 01297 624374.

Early Learning & Further Education

Musbury Moles Pre-School

MUSBURY Moles Preschool is a small friendly preschool based within Musbury Primary school grounds. Our sessions are Tuesday, Wednesday and Fridays 9-3 and a Thursday morning 9-12. We take children aged 2-5 years and we are also providers of the 2gether scheme. Our preschool has fabulous outside areas for our children to access, they can play on the bikes and trikes in the playground, crawl through the caterpillar and take a ride down the slides in the orchard or even tire themselves running around the 2 acre sports field. On a Friday we hold our I Can Cook sessions, these are £1 a week, all the children help make their lunch for that day. We have found this to be very popular amongst all our children and parents. A new addition to our preschool is the Allotment, our children will be growing their fruit and vegetables for snack time and their cooking sessions on a Friday, the allotment will also be an area the children can learn about nature, learn colours, shapes, sizes and much more. We have child sized wheelbarrows and equipment so our children can really be a part of the allotment thanks to our win with the Lloyds Community Fund. We also have a breakfast club from 8am.

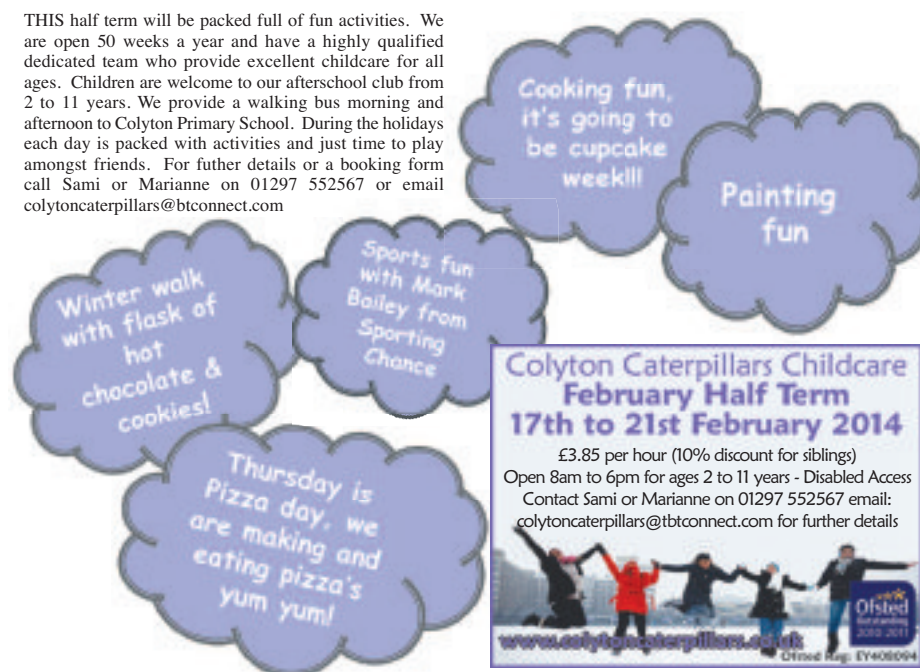

We have moved our toddler session to a Monday morning 9.30-11am, all children under 5 are welcome. This is £1 a session and each child will receive a snack and parents can have a hot drink and meet other parents. Each week we will have a different activity so the children can take home something from the sessions.

For more information on our preschool please go to www.musbury_moles.btck.co.uk or find us on Facebook.

Musbury Moles Preschool offers 3 free taster sessions so you can be sure you and your child are happy before you commit to sessions.

Pink Hippo Day Nursery & Pre-school has recently celebrated its 5th birthday and continues to offer high quality education and care for children in both its nursery and pre-school. Due to the strong bonds formed with families and a focus on self-help skills, children are ready and able to take the big step to move on to school and a greater independence.

The dynamic curriculum and learning intentions are always based around children's individual interests and needs, for Spring term the planning theme is 'Animals'. Children have the opportunity to explore using all their senses, both within the setting and on outings within the

local community and further afield.

Funded (free) sessions to eligible 2, 3 and 4 year olds are available and the setting has the flexibility to provide ongoing and wrap around care for working parents or those who would simply like their child to socialise with others in a safe, stimulating and fun environment, with an extensive outside play area.

Pink Hippo was rated 'Outstanding' in their last Ofsted inspection

from the

churches

With NIGEL SPELLER

FIRSTLY, Pope Francis has been named as *The Times* person of the year for his contribution to religion.

The whole of the *Church Times* digital archive is now available to postal subscribers. This is 7,868 issues, back to 1863, and all searchable by keyword.

The Week of Prayer for Christian Unity begins on January 21st and Churches Together in Ottery start reflections on this year's theme 'Is Christ Divided?'

From 9am to 7pm church members will speak on 1 Corinthians, with hourly reflections and summing up and Worship at 8pm. The venue is the Salvation Army meeting rooms, High Street. There is a United Service at the URC Church Ottery at 6:30pm on Sunday, January 26th.

A new group has been set up in Seaton to study Buddhist meditation, meeting every Monday evening at the community centre in Fore Street. No charges and folk from all faiths welcome. Call 01297 24012 for more information.

Some homeowners face bills to pay for church repairs under ancient laws that give parishes the right to claim the money. This goes back to Henry VIII who transferred the liability to landowners; it is guessed that over 5,000 churches still enjoy this right and many have not yet registered the end so do claim now.

More current church building repairs at Colyton involves the former Sunday School Building (opened in 1840), used for meetings, etc, which is enjoying a full overhaul and decoration and will be ready soon.

Coming events include an Epiphany Carol Service at Colyton on Sunday, January 19th from 6:30pm.

More dates: the St Andrew's Community Cafe will next meet in St Andrew's Church, or at the SSB if ready, on Tuesday, January 21st – all welcome.

On Thursday, January 23rd from 2-4:30pm, the Friends of St Andrews hold a tea dance, including a cream tea.

The Dean of Exeter Cathedral makes a first visit to St Michael's Church, Musbury on Sunday, February 2nd for Evensong for Candlemas at 3:30pm. All are welcome.

Members of churches feature in the New Year's Honours List and especially so the Worldwide President of the Mothers' Union (MU) Rosemary Kempell who was appointed CBE. She has been a member for 35 years and led the worldwide MU for the past 7 years.

Did you make a New Year's Resolution? Are you still-keeping it? We tend to be quite cynical of New Year Resolutions, as if we never really expect to keep them in the first place, so it's no great surprise when they disappear down the drain.

But is there something in our life which we know we ought to change? It could be one of the traditionals – stop smoking, drink less, take more exercise or it could be about how we treat our partner, our children, our parents, or work, or the amount we take out of the planet we share.

Such items are less obvious and may be more difficult to plan, but there is One who wants to work in us all so we can truly bless one another. Turn to Him, and He will guide and empower you.

Happy New Year! S.C.

GRAPHIC designer Wes Dowell, 28, grew up in Lyme Regis, his parents having lived in the town for generations running a popular ice cream kiosk on the seafront, before a recent move across the border to Axminster.

He studied at the Woodroffe School followed by a foundation degree at Bournemouth University and a BA Hons in graphic design at Thames Valley University in Reading.

Two years ago, Wes set up his own design company, Coastline Creative, which has gone from strength to strength. He is married to wife Lynsey and the couple have a young daughter.

● **WHEN and why did you decide to set up your own business?**

I think it is in my blood! My father, mother and grandparents run their own business, and growing up around them influenced me. The decision was very sudden though; Lynsey was six months pregnant and I was about to start a new job, when I realised if there was ever a time, it was now. It is also great to be able to spend more time being a dad, as I can work around spending time with my daughter.

● **WHAT did you do before this?**

I worked for a regional advertising agency in Yeovil as a designer for three years, before working at Water Babies as the graphic designer and marketing assistant.

● **What services does Coastline Creative offer?**

All aspects of graphic design, print and web. I am particularly passionate about helping people start their own business, and can help with every aspect from branding, advertising, marketing and social media. I have experience designing pretty much everything, from logos and leaflets, to signage and vehicle graphics.

● **ARE there any projects you are particularly proud of?**

Yes, a very successful television advert for a dating company, for which I designed the characters and storyboards (it features uniforms if that helps!). I also recently designed the business cards for a former Prime Minister's wife.

● **WHAT do you enjoy about the job?**

Helping people fulfill their own ambitions of running their

60
seconds

own enterprise or business. It's also extremely exciting to develop an idea into a finished product. Seeing your finished work printed in a magazine or newspaper always gives you a great sense of achievement too.

● **WHAT do you like about the local area?**

What is not to like? Countryside, stunning coastline, and we're only a short drive to the city if we need it. I consider myself very lucky to have grown up here, and that is why I wanted to start my business and family here.

● **WHAT do you think it's missing?**

Affordable housing for young, local people. Having just managed to buy our first home in Axminster, we were very nearly forced to move further afield to find a suitable family home. Affordable commercial property is also key for start-up local businesses.

● **WHICH three guests would you invite to your dream dinner party?**

Will Ferrell, Zach Galifianakis and Steve Carell – laughter would definitely be on the menu.

Jurassic Folk & Acoustic moves to Beer

IT'S all change at Jurassic Folk as the new year brings a move to a new venue. After six and a half years in Seaton, Jurassic Folk and Acoustic is relocating itself to Beer, where it has found a smashing new home at The Dolphin Hotel. With its excellent facilities, first class bar and food menu, easy parking and overnight accommodation should it be needed, the Dolphin is just about the perfect venue for musical entertainment, and the arrival of Jurassic Folk will surely enhance its reputation in this respect.

In a nutshell, Jurassic Folk provides a platform on which local performers of all types can come along and display their talents to an attentive and encouraging audience. Organiser Peter Arnold explains "Although mainly attracting singers and musicians, all sorts of performers are welcome and we regularly have poets, dancers and even jugglers". And in case the term "folk music" puts anybody off, Peter explains "The 'music' part is just as important as the 'folk', and I go along with Louis Armstrong who, when asked about his view on folk music said 'folk music...? I've never heard any music that wasn't made by folk'".

What is the difference between Jurassic Folk and an 'open mic' night? Well, the main difference is that there are no mics, it is all acoustic, and therefore will be held in the function room and not in the bar. These 'Come All Ye' evenings are totally free admission and the audience comes and goes as they please.

Peter again: "We are particularly keen to welcome first time performers, particularly young people, because it can be quite daunting getting up in public for the first time, but at Jurassic Folk you'll be supported all the way, as we've all been through it at some time."

The opening night will be on Wednesday, 22nd January, starting at 7.30pm prompt, and thereafter it will be monthly on the third Wednesday. If you want to perform, normally you can just come along as early as possible and put your name down, but on the opening night it is expected to be very busy and so it will be prudent to phone or email beforehand to ensure a spot.

For a bit of background, Peter & Hilary, loosely termed the organisers, live between Seaton and Beer in Beer Road,

and while Hilary was born here, Peter's parents moved to Old Beer Road first when he was only 16 (and that was a long long time ago!) Jurassic Folk has a website at www.eastdevonfolk.org, and you can contact Peter and Hilary on 01297 20064 or email jurassic.pete@aol.com, and they very much hope to see old and new friends on the 22nd.

Exciting 2014 for Budleigh Assorted Tunes

Johnny Copping & Mike Silver – Strawbs plus Gigspanner – Nashville's Laura Cantrell plus Flats & Sharps – Emily Smith – Benny Gallagher – Gerry's Pacemakers all set for Budleigh!

KICKING off Budleigh Assorted Tunes' very exciting 2014 programme, on Sunday, January 26th, are singer/songwriter duo Johnny Copping and Mike Silver.

"I remember Johnny years ago", explained local promoter Steve Chilcott, when he fronted that brilliant folk-rock band Decameron, down at the Pipers Folk Club in Penzance, push-starting their rickety tour bus one cold, damp December evening after a packed gig... Geoff March's cello wobbling perilously on the roof! Now that's real rock 'n' roll for you!"

Into February and the Strawbs bring their full electric line-up to Budleigh's Public Hall, featuring original Strawb member, Rick Wakeman's son, Adam on keyboards. Strawbs' special guests for the evening

BENNY GALLAGHER | Sunday, March 30th

will be Steeleye Span's fiddle maestro Peter Knight and Gigspanner.

"Peter sent a message out on Facebook to say that he was short of a couple of gigs on the Gigspanner tour in March, and I replied saying that I couldn't do March but I was looking for a quality support for Strawbs in Feb... it didn't take him long to get back to me with an enthusiastic 'YES!'"

Also in February, Nashville Country star Laura Cantrell comes to BATs with very special guests Flats and Sharps, the only West Country date she is playing on the tour.

"I booked Flats & Sharps to support Port Isaac's Fisherman's Friends 18 months ago at the Corn Exchange and they just took the place by storm! They are only young lads, but fantastic musicians playing blistering Bluegrass. They don't even have a driving licence between them so I think they're coming up from Penzance in a taxi!"

"Laura didn't want any supports on this tour, until I sent her agent a YouTube clip of the lads and that soon changed her mind!"

March 1st brings those veteran Merseybeat legends Gerry & the Pacemakers to BATs, followed by Scotland's wonderful Emily Smith Trio on 16th and the month closes with An Evening with Benny Gallagher on Sunday 30th – mainstay of hit-makers McGuinness Flint ('When I'm Dead and Gone') and of course, Gallagher & Lyle who had dozens of hits including 'Heart on my Sleeve', 'I Wanna Stay with You', and 'Breakaway' which was also a huge chart-topper for Art Garfunkel.

I'm late, I'm late for a very important date!

Colyton Theatre Group to perform *Alice in Blunderland* panto

YOU may remember way back in June last year Colyton Theatre Group told you about their wardrobe ladies (Kathy, Margo and Wendy) being heavily involved making costumes for their production of *Lord Arthur Savile's Crime*, a production which was very well received, and

deservedly so. Well, they're at it again but this time for a completely different production.

It's panto time again (Oh yes it is!) but the costumes couldn't be more different – gone are the elegant gowns and hairstyles, and in are garish colours and over the top outfits. The Panto is "*Alice In Blunderland*" with its usual characters.

The Group have a Brigadier as the White Rabbit and a Hippy as the Cheshire Cat, a "Camp" Executioner and a few more odd characters. There are six little bunnies and this has proved to be one of the most challenging outfits to make. Wendy has had to Hoover her carpets more than usual because of all the white 'fur' and has spent quite a lot of her time sneezing with fluff getting up her nose! What one does for amateur dramatics! So, when you come to see the production and go "Aah" when the little bunnies appear, spare a thought for Wendy (she is appearing on stage as well, so has also had to learn words and songs!).

The production is from Wednesday, January 15th through to Saturday, January 18th, with a matinee on the 18th. Evening performances start at 7.30pm, with a matinee at 2.30pm. Please the advert (left) for box office details, or if you require further information please phone 01297 442856.

Fortnam Smith & Banwell launch new website!

Fortnam Smith & Banwell are delighted to announce the launch of their new website at www.fsb4homes.com which has been designed to offer improved functionality and usability.

The new website offers the opportunity to request valuations and to register tailored property searches. Applicants can search thousands of properties across the West Country in both the sales and lettings markets with Fortnam Smith and Banwell and FSB Rentals, along with all the properties on the market with the 80+ Property Sharing Expert agents.

Property Sharing Experts

Property Sharing Experts are a group of 80+ agents across the West Country all working together to sell property. Every agent is computer linked, therefore, if an applicant goes into any of the 80+ offices (16 of which are between here and Exeter), the properties of every agent covering their specified area will also match to them. The agent can then print the full details for that property and contact the relevant office to arrange a viewing. Vendors will only ever be contacted by their own agent who will also carry out the viewing as usual but if that applicant then goes on to purchase that property, the agent who introduced them receives a share of the commission, therefore the motivation is there – and it works! Effectively, Fortnam Smith & Banwell offer a multiple agency agreement for a sole agency fee.

Now with Two London Offices!

Property Sharing Experts have also recently opened an office in Westminster, therefore, coupled with Fortnam Smith & Banwell's existing office in Mayfair, they now offer the greatest London presence available from any local agent. The Mayfair Office Group advertise in National papers such as The Daily Telegraph and The Times and glossy magazines such as Country Life. All of Fortnam Smith and Banwell's properties feature on the Mayfair Office website and thanks to their fantastic buying power and contacts within the National Press, the properties have the opportunity to be selected for free editorials within these titles – and, in fact, one of Fortnam Smith & Banwell's Seaton properties was featured in the Telegraph Property section recently!

To find out how Fortnam Smith and Banwell will apply their best efforts in the marketing and sale of your property, contact the Seaton office on 01297 23939.

Buying or moving in 2014? Do it now!

Steve Moir, chairman of Property Sharing Experts, the nearly 80-strong network of independent estate agents across the South West, says that people looking to move in 2014 would benefit by doing so sooner rather than later. In particular, those who upsize or take their first step on the property ladder earlier in the coming year will be able to take full advantage of the relatively low number of properties competing for buyers as well as the current property prices and financial offerings.

Steve said: "With improved credit conditions including a greater availability of higher loan-to-value mortgages, interest rates set to remain low and initiatives such as the Help to Buy scheme, confidence in the property market is back and momentum has shifted up a gear in recent months. Our members and estate agents across most of the UK are reporting a surge in buyer interest and a rise in sales levels, which is driving stock levels down and prices up. Indeed, the latest report by the RICS (Royal Institute of Chartered Surveyors) indicated an expectation for prices to increase on average by 3% over the coming year and by almost 5% per year for the next five years.

"With a rising shortage of property on the market, there are fewer homes for the increasing number of buyers to choose from so I would advise anyone with a home to sell to instruct an agent in the next

few weeks in order to take advantage of that. Those selling but not buying may stand to benefit from holding off for a few months to achieve a higher price, although this doesn't always suit personal circumstances. However, the vast majority of those looking to move will be first-time buyers or upsizers, who have absolutely nothing to gain by waiting."

There are almost 80 Property Sharing Expert estate agency offices in the South West spanning around 200 miles, from Penzance to Bristol. Each local agency is truly independent and well established, highly experienced and much trusted for delivering a professional and efficient service with results. The offices use the latest technology to provide an unsurpassable level of communication; they offer a fixed so sale-no fee conveyancing service and auction as a route to market and they share their property registers with each other for unbeatable marketing exposure – in office and online as well as in print. Instruct one Property Sharing Expert estate agent, instruct them all, for a standard sole agency fee.

For more information, to book a free market appraisal without obligation or for honest advice on any property aspect, contact your local Property Sharing Expert estate agent, Fortnam Smith & Banwell Seaton on 01297 23939.

A NEW niche estate agent is set to launch in Newton Abbot

CHARLES Darrow will specialise in commercial property and aims to tap into the growing demand to buy and rent businesses and commercial property in the south west.

Joint directors Paul Heather and Jon Clyne have almost 30 years combined experience as commercial property agents, having previously worked in the south west, for a leading national commercial property agent.

Charles Darrow will focus on selling a vast range of businesses and commercial property, including pubs, restaurants, hotels, post offices, petrol stations, pharmacies, dental practices and retail outlets as well as offices, warehouses, industrial and investment properties.

The company launch follows news this week that business loans to small and medium-sized companies has increased and Mark Carney, governor of the

Bank of England, has redoubled efforts to boost business lending by making it the sole beneficiary of the Funding for Lending Scheme, which allows lenders to borrow at rock-bottom rates in exchange for providing loans. Previously, the scheme applied to all loans. Meanwhile, mortgage approvals continued to rise, hitting a new five-year high of 70,759 in November.

Clyne said: "We are delighted to be launching Charles Darrow at a time when business and property owner's can start to look forward again."

"We believe our expertise in dealing with a broad range of business and commercial property will help our clients to secure a beneficial sale or letting."

"We are confident we can offer a top class service and a completely open and honest approach to buying, letting and selling property. The company, which will cover the whole of the

south west, has been quietly testing the market prior to launch and has already snapped up a number of clients.

Heather, who has more than 16 years experience in selling property,

added: "The reaction from businesses and commercial landlords has been really encouraging already and we are looking forward to getting started. We have opened a fantastic office

in Newton Abbot, and we are very much open for business."

Charles Darrow's website has already gone live at www.charlesdarrow.co.uk

Art and Design come together for Infiniti

'ARTISTIC BRILLIANCE' is the theme that unites new London-based cultural initiatives by Infiniti.

As work progresses on Infiniti's first London design studio, the luxury performance brand is also looking to the arts - by supporting two major London shows this month where great design comes as standard.

don shows this month where great design comes as standard.

Infiniti is a sponsor of the London Art Fair, being held at the Islington Business Design Centre from January 15-19 (with special VIP and media viewings taking place on Tuesday January 14).

London Art Fair covers Modern British and contemporary art and includes a broad spectrum of work from artist collectives and younger emerging galleries through to the large established galleries of Mayfair.

Infiniti will be on hand to chauffeur all VIP guests to and from the show throughout the week, utilising its latest models such as the all-new Q50 saloon, the larger Q70 and the design-led sports utility vehicle the QX70, previously known as the FX.

ously known as the FX.

Special VIP tickets can be won for the London Art Fair by simply following the @InfinitiGB Twitter account and retweeting the specific competition tweet - closing date Midnight on Thursday 9th January.

Infiniti is also looking to the performing arts by once again sponsoring Cirque du Soleil. The innovative troupe's latest trapeze, juggling and dance show, Quidam, follows a young girl's escape into the world of imagination. There is no better place for her thoughts to get lost in than at the Royal Albert Hall. The show continues from now until February 16.

The Infiniti and Cirque du Soleil partnership is a natural fit. Each embodies the spirit of performance, passion, precision and provocation in order to turn movement into an art form.

John's Motor Repairs Providing a professional repair service and quick state of the art Diagnostics

John's Motor Repairs in Sidmouth found their Automated Test Lane MOT Station to be a great success, being the very latest in MOT technology. This gives them a competitive edge with MOT testing and allows their fully qualified MOT testers to carry out your test efficiently in the best environment possible and to the highest standard. The MOT bay not only enables 'one man' MOT testing and reduces labour costs, but as it is fully digitized, the likelihood of errors, mistakes and omissions is reduced - this ensures that your vehicle is in a safe and roadworthy condition.

Also, John's Motor Repairs have recently set up a New Tyre Bay at their garage; enabling them to change and repair your tyres, check your balances and more. They also have a large stock of tyres available.

John's Motor Repairs is a friendly and customer focused garage offering you the highest quality service, providing a professional repair service and quick state of the art diagnostics for fault finding, and giving you the cost of any repairs before starting the job.

If you are looking for a reliable and trustworthy garage, then visit John's Motor Repairs! Whether you need a service, MOT, Diagnostics, or your vehicle needs mechanical repairs; they have both the expertise and facilities to take care of your vehicle.

TURNER'S TRIPLE LIFTS TIGERS SPIRITS

'Baker's dozen' for Upottery and Offwell Rangers!

ROUND-UP
CLYST VALLEY may be the bottom team in the Premier Division but showed some great new year fighting spirit to restrict leaders NEWTOWN to a 3-2 victory.

Two goals from Dale O'Donoghue and one from brother Corey saw Newtown home, but Carl Davey and a late Jordan Harris strike gave Clyst a respectable scoreline and gives them heart for the battle ahead to avoid the drop.

Second place ST MARTINS beat BEER ALBION 3-0 but were also made to work hard.

The Fishermen were determined not to roll over easily, but had to succumb to goals from Dax Vincent, John Rawlings and Aaron Lee.

FENITON managed a 1-1 draw at HATHERLEIGH TOWN who have become something of a bogey side to the reigning champions. Feniton were ahead through a Ben Ede free-kick for a long time, but Hatherleigh rescued a point with their own free kick specialist Dean Rice.

WILLAND ROVERS were two down and 3-2 down at home to CHARD TOWN but rallied to win the day 5-3.

Two Chard own goals helped with strikes from Aiden Moyle, Tom Beddows and Ashley Matthews also counting.

BUDLEIGH SALTERTON needed just a Dave Radford penalty to beat the UNIVERSITY 1-0, a win the robins badly needed.

SIDBURY UNITED missed the chance to halve the deficit in Division One, as leaders Elmore were not in action, but their trip to WELLINGTON TOWN ended in a 2-0 defeat.

WITHERIDGE also dipped out as they were edged 4-3 by ALPHINGTON all the goals coming in a frantic second-half.

Tom Williams, Jason Manley and Matt Buckingham were Withys scorers.

EXMOUTH AMATEURS beat CULLOMPTON 2-1, the Rangers goal from manager Paul Dugard who felt his team deserved a point.

HALWILL won the big game in Division Two against DAWLISH UNITED 2-1 with Simon James and Johnny Knight scoring.

SOUTH ZEAL romped to a 7-1 win at CLYST VALLEY in the only other game played.

Division Three leaders UPOTTERY went goal crazy as they demolished EXMOUTH AMATEURS 13-0.

NEWTOWN were 2-1 winners at TEDBURN ST MARY,

Ryan Foster and Kyle Hall scoring, while OTTERY ST MARY and WOODBURY shared a 2-2 draw Dan Tapp and Dan Full getting the Wooders goals.

Eighty-Five year old LAPFORD groundsman Fred Leach travelled to watch five of his grandsons playing in the Division Five match at FENITON and they did not let him down, Harry Leach getting a hat-trick and Shane Leach also scoring as Lapford won 5-3.

Fred also had several nephews playing in the Lapford team so it was a real family afternoon out. Scorers for Feniton were Jamie Doidge (2) and Richard Austin.

In the same division WESTEX ROVERS also won 5-3 at COUNTRESS WEAR with Ricky Lait, Ricky Baker, Jamie Phillips, Shane Jackson and Simon Tolly scoring.

MORCHARD BISHOP came from 2-1 down to win 3-2 at SEATON with Narc Frost, and two Ryan Piper goals, the first one a spectacular effort and the winner from the penalty spot.

Adam Bond and Chris White scored UPLWMAN'S goals in their 2-0 win against FLUXTON, the only match played in Division Six.

OFFWELL RANGERS also went on a goal spree in Division Seven lashing TEDBURN ST MARY 13-1, and there was a remarkable match in Division Eight between BICKLEIGH and OPEN SPACE INTERNATIONAL which the home side won 7-5.

Shane Mears with a hat-trick and two goal Scott Butler had most of the Bickleigh goals.

Altogether 29 matches were postponed because of the wet weather, but the League felt this was not a bad outcome having feared yet another total wipeout.

PERRY STREET LEAGUE

MILLWEY RISE 3 PERRY STREET 1
A DOUBLE from Sam Dibling saw Millwey Rise jump three places to sixth after an impressive win over title contenders Perry Street at Harry's field.

Dibling's opener gave the hosts a slender 1-0 lead at half-time.

Liam Riste, on target for the eighth consecutive game, equalised from the penalty spot for his 18th goal of the season.

The visitors had the ball in the net soon after but this was scrubbed out for offside by referee Nigel Fry.

At the other end Dibling, despite more appeals for offside, struck again in 66th minute and Levi Hoole clinched the win near the end with his 17th goal of the campaign.

Elsewhere, goals from Andy Dymond and Glenn Harding early in the second-half earned **Hawkchurch United** a notable scalp as they toppled Division Three leaders Barrington Reserves 2-0.

Hawks' manager Martin Bright said: "Although the first-half was goal less were were dominant and created plenty of chances.

We could have had more - we hit the woodwork three times."

Bright picked out Gavin Herrod as his Man-of-the-Match.

Up in Division One **Farway United** gave red-hot title favourites South Petherton a run for their money before going down 2-1. Dan Williams netted the Farway consolation.

There was better news

from **Farway United Reserves** who ended an eight-game losing trot with Nathan Foggins scoring both goals in a 2-1 win at Hinton.

After a break of a month **Seaton under 8s** were back in action playing two games against at Exmouth.

The boys showed some rustiness as they lost 3-0 and 6-1. However, they competed well against very good opposition.

Henry Matthews is improving with every game and carried a threat all afternoon, he was ably supported by the tireless Leo Gribble and George Gait who later scored a fine solo goal.

Axe Valley duo through to County championships

■ May Wood

TONY Pinder, Ben Franklin and May Wood represented Axe Valley and East Devon at the recent district championship held at Haldon Forest, Exeter.

Max Richardson, who had qualified at the previous Bicton race, was unfortunately too unwell to compete.

The course was wide and flat for the first mile meaning that meant a good fast start was crucial.

May revelled in the challenge and got herself up front early on. The testing forest climb didn't hold her back and she stayed strong throughout to claim a superb 10th place finish.

Ben Franklin was next to go in the junior boys - he again set off strongly but had a narrow bridge path to negotiate which unfortunately led to a big stumble and fall which put him out of contention for a place in the next round - a great effort to complete the race with bruised and bashed knees and shoulders.

Tony Pinder (Yr10) was looking to progress to the county round for a second year in succession but was racing in the inter-boys which includes Yr 11 boys so it wasn't going to be easy - however, Tony made plain sailing of the event and finished in a superb 5th place.

Tony and May will now progress to represent East Devon & Exeter at the County Championships in North Devon on Saturday (January 18th).

After the race May Wood said: "It was a real achievement, I paced myself well and was able to overtake runners on the uphill section of the race."

"Coming into the finish I heard Mr Davies (Head of Sport) cheering me on and was amazed to cross the line in 10th place and qualify for the next round".

Keeper Ledger stars in county cup victory

AXE Valley College student Charlie Ledger put in a Man-of-the-Match performance as the Devon Under 18 team reached the FA County Youth Cup Quarter Finals for the first time since 1997.

It was an even first-half although Devon had a 1-0 lead at the Interval, but in the second half Devon had to dig deep, to repel some concerted pressure from their opponents, which included a penalty.

On ten minutes a Devon attack on the right, and an Isaac Furness (Tiverton Town) shot was tipped around the post for a corner. Liam Gregory (Barnstaple Town) took the resultant flag kick, and placed it to perfection for Furness to power a header past Kent keeper Hadlerfor what was to prove to be the winner.

Devon then had two more chances. Firstly on 18 minutes Gregory had a free kick well saved by keeper Hadler, and two minutes later Torn Scott (Elburton Villa) struck the Kent side netting.

On 27 minutes it was Kent on the attack and a 20-yard shot by Dan Parkinson (Maidstone United), was saved by Ledger.

On 36 minutes the Ledger did well to deny Kent's Femi Akinwande (Dartford) from scoring, but the ball bounced loose, and Parkinson's follow-up shot struck the post.

Then on the stroke of half-time Ledger saved two point blank shots in succession from Kent's Brima Daramy (Dartford).

Early in the second-half it was Kent again on the attack, but Ledger, faced with a one-on-one with striker Dafamy, managed to stick out a leg and clear the front man's effort.

In the 61st minute Kent were awarded a penalty for a foul, but Ledger dived full length to his left to turn Parkinson's fierce spot kick for a corner.

◆ The team will now travel to face Cheshire FA with a place in the semi-finals at stake.

HONITON with Tony Broughton

The Men played their fourth match in the Over 60's County Trophy League this week against Tiverton's Mid Devon Club and it was a repeat of previous efforts.

The two home teams won by a shot and two shots whilst one away team won by two shots and the other lost by 20 shots costing Honiton the Match and the major points.

But the Ladies lost their match in the National Over 60 Two Rink Mason Trophy against Plymouth Mayflower Club.

The away team, who arrived 30 minutes late due to an accident on the A38 played a magnificent game against a strong four and were always ahead.

With four ends to play a report of a 35-8 loss at home meant at 10 shots up they needed another 17 shots to draw. Losing the next two ends put the match beyond reach and they conceded with two to play.

Never the less, another great effort to reach the last 16 in the county.

A friendly match away at Sidmouth end in the narrowest of wins at 49-48 only one Honiton Triple of June Lee, Maureen Parsons and Pearl Hackwood won at 24-9.

A home match against Dunksweil resulted in another close win of 2 shots. The top rink in this match was Yvonne Williams, Ron Taylor, Gail Hawke and Anne Newman at 21-10.

Last friendly match of the week was against Ottery St Mary which Honiton lost 62-75. The only winning rink out of four was Di Hawkins, Tony Williams, Carol Armitage and Tony Broughton at 22-16.

Once again it is nice to see players that have only started bowling this season are regularly in the Top Rinks.

There is good news on the National Competition front Honiton have 5 teams through to the Area 31 Finals.

Pairs: Yvonne Rayner & Carole Binmore play Barbara Bellamy, Torquay.

Triples: Ann Brown, Julie Grant & Shirley Hiscocks play Bar-

bara Bellamy.

Fours: Ann Brown, Marian Vessey, Carol Smith & Julie Grant have to play Jill Bishop, Sidmouth.

Over 60 Singles: Julie Grant to play Honiton's Rosemary Hirons.

Over 50 Two Wood triples: Rosemary Hirons, Ann Hillyear & Rita Barwick play Barbara Bellamy.

Two teams have won Area 31 and now go through to play Area 32 Finalists for a place in the National Finals.

Over 60 Pairs: Rosemary Hirons & Shirley Hiscocks have beaten Barbara Bellamy. Area 32 still to play.

◆ Devon became the guinea pig county for the first ever Bowls Development Alliance Level 1 Qualification Course for Coaching the sport of Bowls, when 10 local Bowls volunteers successfully completed the first ever nationally recognised qualification.

This is a brand new coaching system aimed at getting more players into Bowls, especially the young and retired. It has already gained the approval of Bowls England and Bowls Devon.

The qualification was gained over two intensive days study at ISCA Indoor Bowls Club and Exonia Bowls Club separated by a period of a month. Three of the 10 were members of the Honiton Indoor Bowls Club, Ian Veitch, Tracy Crawford and Roger Binmore.

Ian Veitch of Feniton and Honiton was the first to sit the exam, which he passed, making him the very first in the County to obtain this new qualification.

Over the next 12 months these courses will be made available across the county.

It is hoped over the next four years more people will be introduced to the sport and see it as a way of keeping active and making friends.

HONITON RC

with Judy Davey

SEVERAL Honiton Running Club members travelled to Dawlish Leisure Centre last Sunday to take part in **Dawlish Coasters' Oh My Obelisk race**.

This was advertised as an 11-mile race which includes plenty of mud and hills too. It was in fact more like 11½ miles due to a slight route change avoiding a fallen tree.

The route takes runners up to Haldon Forest and back circling the Obelisk. Despite a sore foot, Steve Davey led Honiton back coming 46th in 1 hour 34 minutes and 58 seconds.

Steve Selley's training for this event was rewarded with a great run coming 65th in 1:38:11.

He led the next six Honiton runners back who all finished within four minutes of each other.

Bruce Strawbridge was next coming 75th in 1:39:22 followed by Howard Bidmead who was 81st just 36 seconds later.

Judy Davey was the sole Honiton lady and was next back in 90th place in 1:40:42. Judy had overtaken Rod Inglis with less than a mile to go after he ran out of steam and he finished 95th 1:41:47.

Rod was in Mark Dallyn's sights and he was catching him quickly but the race wasn't quite long enough meaning Mark finished five places and just seven seconds later.

Tony Whiteley completed the Honiton line-up having completed a gutsy race putting on his racing shoes for the first time in a while.

AXE VALLEY RUNNERS

MATT Thurgood was the winner of the first **Junior handicap** of 2014 taking 15:18. Mia Bartlett was 2nd, 15:34; Ethan Day 3rd, 13:53; Bobby Simpson 4th, 13:08 and Arun Hawkes 5th, 14:26. Steve Maclure was the Senior handicap winner in 27:34 with Eleanor Wood 2nd, 25:19; Amie Sibley 3rd, 36:59; Richard Hale 4th, 27:48 and Kirsty Bate 5th, 28:25.

Seven AVR's braved the hilly, muddy, wet and windy course at Dawlish for the Oh My Obelisk 11.5 mile run. Amy Greenhalge was lead female for the first four miles and eventually finished second lady, 20th overall in 1:25:46.

Next AVR home was Ian Apps who, despite going wrong at about 10 miles, came 50th in 1:35:43, very closely followed by first V50 Eleanor Wood two seconds behind him.

Roger Bramley, running this race for the first time, was 78th in 1:39:40, pleased with his strength going up the hills.

Richard Hale was next home, 113th, 1:44:24, glad to be getting back to full fitness.

Robin Britton was 176th, 1:54:26 and Stephen Morton in his first AVR race finished 215th, 2:04:54.

Morale boosting win

Honiton Hornets 6 Dawlish 4 (friendly)

AFTER what had been a testing first half of the season, in which Honiton had found itself under pressure in most of its games having been promoted the previous season, Saturday's victory in the friendly over Dawlish will act as a tonic for the remainder of the campaign.

The Honiton squad eventually settled into the match after a tough first-half in which the visitors went 2-0 ahead before Honiton managed to equalise with goals from Lydia Cox and Becky Hammett.

The half-time talk gave the home side players the impetus needed to take control of the game during the second-half in which Sophie George hit the backboard and Player-of-the-Match Cox added to her tally with three more goals.

Play throughout the match was very uneven and noisy, with much clattering of sticks and numerous lifted balls – it is to be hoped that this will not be the on-going norm!

HONITON with Andy Wagner

TEXAS SCRAMBLE

IT came as a complete and not altogether welcome surprise to the members to find the course was open for this post Christmas game.

As we had all experienced high winds and horizontal rain over the last week we expected to see uprooted trees and lakes instead of fairways.

But the greens staff had beavered away to produce a very attractive course and what turned out to be a very mild morning.

The Texas Scramble format meant poor scores were 'everybody's' fault and the 'five drives each' ruling meant it was 'squeaky bum' time right to the

last hole.

We played off 10% of the team's combined handicap which left in first place Dan Noar, Mark Gillard and Jake Phillips with a nett 58.1.

Second were Stewart Slater, Derek Richards and Dean Bonetta with 60.5 and Alan Devenny, Mike O'Reilly and Peter Clarke third with 62.2.

SUE AND GILL'S RETIREMENT

AFTER more than 20 years of catering at Honiton Golf Club sisters Sue Burroughs and Gill Gillard retired on New Years Eve.

Over that period they had become renowned throughout the county for their high quality food and their extensive sweet board.

Hawkchurch United too strong for league leaders

WITH Axminster Town's scheduled South-west Peninsula League Division One (east) game with Budleigh Salterton postponed due to a water-logged pitch at Colyton Grammer School Tigers' fans turned their attention to the Reserves' match at Chumleigh.

And the team, boosted by several first teamers, didn't disappoint as they brought an end to a miserable 14-game winless run with a hard fought 3-2 victory.

One of those first teamers, Ben Turner, took centre stage with a fine hat-trick.

Next up for the Resses is Saturday's trip to Manstone Raod where fellow strugglers Sidmouth Town Reserves lay in wait.

Up in the SWP league Axminster first team, now bottom of the table after Liverton's surprise 3-1 win at Alphington, face a tough trip to take on the new league leaders Teignmouth.

Back in the Devon & Exeter League Seaton Town's trip to Thorverton was one of 29 matches that fell foul of the

wet weather.

The Seasiders, currently fifth in the table, face a tricky looking away day at sixth-placed Exeter University at the weekend.

Staying in the Premier Division and Beer Albion's trip to St Martins went with form with the title-chasing hosts cruising to a 3-0 win.

In Division Two Colyton's visit by Exwick Villa Reserves was another casualty. The Tanners head off to take on Dawlish United on Saturday.

It was a similar story at Boss Hill Cross where the Axmouth United v Cheriton Fitzpaine match was washed out.

However, the Ax's Division Four title rivals Thorverton Reserves closed the gap at the top to nine points with a 5-2 win at Newtown 3rds.

Down in Division Five both Seaton Town and Beer Albion Reserves teams went down to home defeats and both are still embroiled on relegation bat-

ties.

Beer were beaten 3-0 by St Martins Reserves while the Seasiders' second-string were trimmed 3-2 by Morchard Bishop.

Over in the Perry Street League Millwey Rise's fine start to the New Year continued with an impressive 3-1 home win over high-flying Perry Street.

Sam Dibling (2) and Levi Hoole scored for Rise who welcome another of the premier Division's title contenders at the weekend when Lyme Regis come calling.

Millwey Reserves' match at Drimpton was a postponed. Simon Flint's team will have fingers crossed for the trip to take on Lyme Regis Bantams at the Woodroffe School on Saturday.

In the same Division goal from Glenn Harding and Andy Dymond have seen Hawkchurch United muscle their way into the promotion race with a fine 2-0 win over leaders Barrington Reserves. The Hawks travel north to take on Shepton Beauchamp Reserves at the weekend.

■ **FINAL FOUR:** Seaton Bowls Club recently ran a singles bowls competition organised by Jeremy Allison. Players were divided into four divisions and each player played four games before the event culminated with the semi-finals and finals. Following a really competitive week which was extremely well supported the eventual winner was Angie Mayhew who beat Sue Smith in the final. The other semi-finalists were Maria Johnson and Lin Allison. Pictured above, from left; Maria Johnson, Angie Mayhew, Sue Smith and Lin Allison.
